ORDER:

It is brought to the notice of the Government that due to non-awareness of the fact about the details of Agricultural lands assigned to weaker sections, many persons are purchasing such lands for valuable consideration. As such lands are kept in 22-A list i.e prohibited lands list which will not be registered and hence they are approaching the authorities that they are not aware that the lands are assigned at the time of purchasing, and subsequently they are kept in 22-A lists and requesting the authorities to delete the same from the 22-A list i.e prohibited properties. As it is not possible to delete those lands from 22-A list, they are resorting for filing Writ Petitions and Contempt Cases in Hon'ble High Court of Andhra Pradesh. Thus making the Government party in such cases.

2. In view of the circumstances stated above, Government after careful examination of the matter, hereby decided to make it mandatory to scan all the assignment registers available with Tahsildars and make it open for public.

3. Accordingly, all the District Collectors in the State are directed to get scanned the DKT Registers available in the Tahsildar's offices and upload the same in public domain.
